EDUCATION

B.Tech in Computer Science and Business Systems

Academy of Technology, Hooghly

CGPA: 8.8/10.00

West Bengal, India

November 2020 - June 2024

Senior Secondary (12th)

Aacharya Narendra Dev Public School

Percentage: 72%

Chhapra, India

April 2017 - March 2019

Secondary (10th)

Galaxy Residential Public School

CGPA: 9.4

Jalalpur, India

April 2016 - March 2017

INTERNSHIPS

KPIT Technologies

TRAINEE

West Bengal, India

July 2023 - Present

- Basics of C/C++: Syntax, Data Structures and Algorithms, and Standard Libraries.
- Problem Solving: Applied algorithmic techniques to solve programming challenges and enhance logical thinking.
- English Communication and Vocabulary: Improved language skills through structured learning and practice.

Persistent Systems

PERSISTENT MARTIAN PROGRAM 2023

West Bengal, India

January 2023 - July 2023

- Data Structures and Algorithms: Algorithm analysis, classification algorithms, optimization of data structures.
- Core Java Programming: Object-oriented programming (OOP), Java development environment, Java libraries.
- Database Management System (DBMS): SQL querying, Relational database design, Database normalization.

PROJECTS

MediConnect

VIRTUAL HEALTHCARE PLATFORM

March 2023 - June 2024

- Engineered a revolutionary virtual health platform, MediConnect, streamlining patient-physician communication. Enabled patients to schedule appointments, access medical records, and engage in virtual consultations, resulting in an increase in patient satisfaction and a reduction in appointment scheduling time.

Stack used: React, Node.js, MongoDB.

CERTIFICATIONS

Learn C++ Programming - Abdul Bari (Udemy)

Mastering DSA using C/C++ - Abdul Bari (Udemy)

Alpha Java 2.0 - Shraddha Khapra (Apna College)

EXTRACURRICULAR

C++/DSA Instructor

Executed offline sessions teaching fundamentals of C++ and Data Structures and Algorithms (DSA) to an undergraduate student in Bandel during my third year of B.Tech, enhancing his understanding and application of programming concepts.

Cricket Team Captain

Organized, and led the hostel cricket team, Dark Hunters, for the Hostel Premier League(HPL). Initiated strategic planning and built team cohesion, resulting in improved team performance and sportsmanship.
